ANTIMICROBIAL CERTIFICATE

OLD WOOD – Spain

ITALIAN CREAM AG+

Herewith we declare the tested product “**ITALIAN CREAM AG+**” shows an *Escherichia coli* (ATCC 11229) log reduction of 3.7 (99.98%) according to the standard JIS Z 2801 and is therefore seen as an **antimicrobial paint**.

This document does not prevent from the registration of biocidal products when sold as such. Please go into touch with your responsible SANITIZED partner to get further information for the antimicrobial claims you can make on your paint, using our SANITIZED product.

Report No.: TRCH 2020-113-G
Date: 22.06.2020
